

Skin 'n' Bones Connection

The next issue of our journal will be available soon.

Issue 45, will be despatched first to subscribers once published and then available on general sale via our shop.

The next edition covers topics including:

- psoriasis clinical guidelines
- overweight and psoriasis
- new drugs
- research involvement
- ...plus much more.

If you wish to **try before you buy**, then a complimentary back issue is available **free of charge** via the [submit a form page](#)

For more information about the journal or to buy copies go to our [website](#) or our [Psoriasis Shop](#)

Pregnancy and PsA

Canadian researchers have found that psoriatic arthritis disease activity improves or stabilised during pregnancy. They also found similar outcomes with those who had psoriasis.

Do you trust research?

In a recent report by the Academy of Medical Sciences, it states that only about a third (37%) of the public trust evidence from medical research, compared to approximately two-thirds (65%) who trust the experiences of their friends and family.
