Thank you for your support during 2018

Skin 'n' Bones Connection

The latest issue #48 is out now.

The journal is packed with useful and interesting content; not just aimed at those with psoriasis and psoriatic arthritis but for anyone with an interest, whether from a personal perspective or as a healthcare professional. [Learn more](#)

WARNING:

Emollient cream build-up in fabric can lead to fire deaths

People who use emollient creams to treat dry and itchy skin conditions are being warned that residue can build up on fabrics, such as clothing or bedding, and cause them to catch fire more easily. [Learn more](#)
